Sunburn Alert Stickers

119392

Pack of four Sunburn Alert stickers that take the guesswork away from when it is time to re-apply sunscreen. They are a practical and easy to use warning device for anyone who is out in the sun. The user places a sticker on the back of their hand and applies sunscreen over it at the same time it is being applied to other parts of the body. Each sticker is UV sensitive and turns blue when sunscreen protection diminishes and the skin is being exposed to harmful UV rays. The sticker will turn white again when sunscreen is re-applied, indicating protection has been restored. Instructions for application and use are printed on the cardboard pack and it can be branded in full colour on the front at no extra cost. This product is not suitable for children under three years old, does not contain sunscreen and does not protect the user against sunburn. A production lead time of 25 working days applies to this product by air freight.

RPET Cooling Towel

118498

Eco-conscious cooling towel which is manufactured from a 50/50 blend of RPET and polyester. RPET material is produced from recycled PET water bottles and food packaging. RPET fibres completely repel water which evaporates much faster when it contacts them. The towel will cool up to 15 degrees below the outdoor temperature in seconds by harnessing the power of this rapid evaporation. To activate it, wet the towel, wring it out and snap it tight to remove excess water. Wearing it around the neck or head provides natural, chemical-free cooling that will last as long as the towel remains wet. It is ideal for use when playing sports, jogging, walking, biking, at the gym, working outdoors etc. It can also be used as a sports towel and is presented in a drawstring pouch which is manufactured from 90% RPET and 10% PU. An instruction leaflet is included.

BLUNT Metro UV Umbrella

122471

The BLUNT UV Metro umbrella is compact, convenient, collapsible, and perfectly sized to provide excellent coverage from the sun without taking up too much street space. The 190T pongee canopy with a special blackout canopy that provides a UPF rating of 50+, opens automatically with the push of a button and the six-rib, 55cm aluminium and steel frame is designed to withstand winds of up to 88km/h. All BLUNT umbrellas feature patented tips which open like miniature umbrellas within pockets at the canopy edge to reinforce the umbrella. They also create even tension across the canopy and give BLUNT umbrellas their highly recognisable trademarked shape. The BLUNT logo is subtly debossed on the easy-grip handle and discreetly branded on the edge of the canopy and the Velcro closure strap. Metro has a matching pongee sleeve with a side zip and is presented in an unbleached cardboard box. The branding on the box is subject to change and each umbrella is backed by a two-year global manufacturer's warranty. BLUNT reserves the right to decline any custom project or artwork that does not align with their brand on a case-by-case basis.
